Notes:

- (1) 1930 to 1946 Sacramento Valley League was 6 man only.
- (2) Prior to approximately 1939 league was officially known as the Northern California High School Athletic League and divisions were designated as subleagues. League was often given descriptive term of "valley league" however, and has been popularly called valley league or derivative thereof since inception. From 1921 to approximately 1929 League was known as Northern "B" League but was know as "Valley" Section to distinguish it from the Siskiyou County "B" Section.
- (3) 1947 11 man league was know as Little Four....(fax incomplete)
...Oroville Ramblers won title on the field, but Los Molinos claimed title because Oroville used ineligible varsity players.
Live Oak beat all teams that it played but apparently did not play Pierce.
- (4) There does not appear to have been an official league in 1943. Live Oak and Pierce had best records.
- (5) Pierce and Colusa tied for 1931 league title but Pierce was awarded the title because they had three touch credits to Colusa's two. A touch credit was awarded each time a team drove the ball inside their opponents 20 year line.
- (6) In 1931 "B" school enrollment limits dropped from 200 students to 175 students. Colusa and Corning moved up to subleague 2 (Westside) and "A" league.
